

# **WILLIAM L. VAN DER REIS, M.D.**

**Sea View Orthopaedic Medical Group**

**653 Camino De Los Mares #109**

**San Clemente, CA 92673**

**(949) 661-2423 Phone**

**(949) 661-9205 Fax**

---

## **EDUCATION**

**University of California, Berkeley, Berkeley, CA**  
Bachelor of Arts, Genetics, 1989

**Cornell University Medical College, New York, NY**  
Doctor of Medicine, 1993

**University of California, San Francisco, San Francisco, CA**  
Internship in General Surgery, 1994

**University of California, San Francisco, San Francisco, CA**  
Residency in Orthopaedic Surgery, 1998

**The Orthopaedic Specialty Hospital, Salt Lake City, UT**  
Fellowship in Arthroscopy and Sports Medicine, 1998-1999

## **PROFESSIONAL LICENSURE AND CERTIFICATION**

Physician and Surgeon, Medical Board of California, 1995 (#G081476)

Physician and Surgeon, Medical Board of Utah, 1998 (#98-361732-1205)

Board Certified, Orthopaedic Surgery, American Board of Orthopaedic Surgery

## **HONORS / AWARDS / APPOINTMENTS**

Chief of Surgery  
Memorial San Clemente Hospital  
2007 – 2009

Chief of Surgery  
Memorial San Clemente Hospital  
2005 – 2007

Chief of Orthopaedic Surgery  
Memorial San Clemente Hospital  
2007 – 2009

Chief of Orthopaedic Surgery  
Memorial San Clemente Hospital  
2005 – 2007

Chief of Orthopaedic Surgery  
Memorial San Clemente Hospital  
2003 – 2005

Chairman of Credential Committee  
Memorial San Clemente Hospital  
2007 – 2009

Chairman of Credential Committee  
Memorial San Clemente Hospital  
2005 – 2007

Chairman Department of Surgery Case Review Committee  
Memorial San Clemente Hospital  
2007 – 2008

Member Orthopaedic Executive Committee  
Mission Regional Medical Center  
2005 - 2007

Member Orthopaedic Executive Committee  
Mission Regional Medical Center  
2003 - 2005

Volunteer Faculty / Clinical Instructor  
University of California, Irvine  
Department of Orthopaedic Surgery  
2004 - 2008

Lloyd Taylor, M.D. Orthopaedic Research Award  
California Orthopaedic Association, 1998

Inman-Abbott Resident Research Award  
University of California, San Francisco, 1997

National Student Research Award  
American Gastroenterological Association, 1988

## PUBLICATIONS

**Van der Reis W**, Wolf EM: Arthroscopic rotator cuff interval capsule closure: effects on shoulder range of motion *Orthopaedics* 2001; 24(7): 657-661

Namba R, **Van der Reis W**: Femoral head and neck dissociation after total hip arthroplasty. A case report. *Orthopaedics* 2000; 23(5) 489-493.

**Van der Reis W**, Cannon WD: Arthroscopic meniscal repair. *Sports Medicine and Arthroscopy Review* 1999(7) 8-19

**Van der Reis W**, Otsuka N, Mah M, Moroz P: IM Nailing versus plate & screw fixation for both bones of the forearm fractures in children. *J Pediatr Orthop* 1998; 18:9-13.

**Van der Reis W**, Paiement G: Femoral neck fracture in a young male with hypogonadotropic hypogonadism. *Resident and Staff Physician* 1998; 44(10) 84-87

Bueff HU, **Van der Reis W**: Low back pain. *Primary Care Clin. of North America* 1996;23(2):345-364.

Lowenberg DW, **Van der Reis W**: One stage muscle transfer and Ilizarov frame application. *Techniques in Orthopaedics* 1996;11(2):144-149.

Lowenberg, DW, **Van der Reis W**: Acute shortening for tibia defects: When and where. *Techniques in Orthopaedics* 1996;11(2):210-215.

**Van der Reis W**, Gray G: Putative golgi to brush border transport vesicles: A unique vesicle population in vivo with digestive hydrolases on the interior surface. *Gastroenterology* 1988;94(5):A624.

## PUBLICATIONS SUBMITTED

**Van der Reis W**, Wolf EM: The triad technique for shoulder stabilization. *Arthroscopy*. Submitted for publication.

James M, **Van der Reis W**, Mc Carroll R: Shoulder external rotator tendon transfers for brachial plexus palsy. *J. Pediatr. Orthop*. Submitted for publication.

**Van der Reis W**, Cannon WD: Arthroscopic meniscal repair: Anatomic and clinical evaluation. *Arthroscopy* Submitted for publication.

**Van der Reis W**, Diao E: Combined intrafocal-interfragmentary pin treatment for distal radius fractures. *J Hand Surg (Am)* Submitted for publication.

## **LECTURES / PRESENTATIONS**

Advances in PEMF technology for soft tissue injuries  
2005 Orange County Podiatric Association Annual Meeting

Hip Arthroscopy – Advances and Techniques  
2004 Orthopaedic Grand Rounds University of California, Irvine

Advances in Shoulder Arthroscopy  
2004 Grand Rounds Mission Regional Medical Center

Treatment of Common Shoulder Problems  
2003 Grand Rounds Presentation South Coast Medical Center

Injury Prevention in the Adolescent Athlete  
2002 Community Lecture San Clemente Hospital

Management of Rotator Cuff Disorders  
2002 Grand Rounds San Clemente Hospital

Management of Golf Injuries  
Sports Medicine Forum  
2002 San Clemente Hospital Grand Rounds

Non-Operative Management of Knee Osteoarthritis  
Round table Presentation  
2002 Newport Beach, California

Arthroscopic anterior cruciate ligament reconstruction  
Advanced Techniques  
2001 Instructor: Utah ACL Course

Running Injuries of the Knee  
2001 San Clemente Hospital Grand Ruonds

Anterior Cruciate Ligament Reconstruction Rehabilitation  
2000 San Clemente Hospital

- Osteoporosis: Diagnosis and Treatment  
2000 San Clemente Hospital
- Assessment of femoral fixation for anterior cruciate ligament reconstruction  
2000 American Academy of Orthopaedic Surgeons Annual Meeting, Orlando, FL
- Advances in prevention and treatment of Osteoporosis  
1999 San Clemente Hospital
- Running Injuries of the Knee  
1999 Grand Rounds Presentation, San Clemente Hospital
- The triad technique for shoulder stabilization  
1999 Arthroscopy Association of North America Annual Meeting, Vancouver,  
BC
- Arthroscopic rotator cuff interval closure: Effect on shoulder range of motion  
1998 American Academy of Orthop Surgeons Annual Meeting, New Orleans, LA
- Restoration of shoulder external rotation for the residua of brachial plexus palsy  
1998 California Orthopaedic Association Annual Meeting, Lake Tahoe, CA
- Restoration of shoulder external rotation for the residua of brachial plexus palsy  
1998 Inman-Abbott Society Annual Meeting, Univ. of California, San Francisco
- Operative treatment of proximal humerus fractures  
1998 Grand Rounds Presentation, University of California, San Francisco
- Restoration of shoulder external rotation for the residua of brachial plexus palsy  
1998 American Orthopaedic Association Resident Meeting, Sacramento, CA
- Diaphyseal fractures of the radius and ulna in children: IM v. plate fixation  
1997 American Academy of Orthopaedic Surgeons Annual Mtg. San Francisco
- Combined intrafocal interfragmentary pinning for distal radius fractures  
1997 American Society for Surgery of the Hand, Annual Meeting, Denver, CO
- Arthroscopic rotator cuff interval closure: Effect on shoulder range of motion  
1997 Residents and Fellows Arthroscopy Conference, New Orleans LA
- Pinning techniques for fixation of distal radius fractures  
1997 Northern California Chapter, Western Orthopaedic Association Annual  
Meeting, Monterey CA
- Arthroscopic rotator cuff interval closure: Effect on shoulder range of motion  
1997 Inman-Abbott Society Annual Meeting, Univ. of California, San Francisco

Diaphyseal fractures of the radius and ulna in children: IM v. plate fixation  
1997 Inman-Abbott Society Annual Meeting, Univ. of California, San Francisco

Arthroscopic rotator cuff interval closure: Effect on shoulder range of motion  
1996 American Society for Surgery of the Hand, Annual Meeting, Nashville, TN

One stage muscle transfer and Ilizarov frame application  
1996 Limb Salvage and Reconstruction Symposium, Seattle WA

Arthroscopic rotator cuff interval closure: Effect on shoulder range of motion  
1996 Samilson Presentation, California Pacific Med. Center, San Francisco, CA

Combined intrafocal interfragmentary pinning for distal radius fractures  
1996 Inman-Abbott Society Annual Meeting, Univ. of California, San Francisco

Multidirectional instability of the shoulder  
1996 Grand Rounds Presentation, University of California, San Francisco

Ligamentous injuries about the elbow  
1996 Grand Rounds Presentation, University of California, San Francisco

Advances in spine surgery: Thoracoscopic spine surgery  
1995 Grand Rounds Presentation, University of California, San Francisco

Putative golgi to brush border transport vesicles  
1988 American Gastroenterological Assoc National Meeting, New Orleans, LA

## **CURRENT RESEARCH**

Advances in PEMF technology for soft tissue injuries  
Sea View Orthopedic Research

Subluxation index assessment after anterior cruciate ligament injury  
Sea View Orthopedic Research

Biomechanical assessment of femoral fixation for anterior cruciate ligament  
reconstruction  
Sea View Orthopedic Research

Degenerative anterior cruciate ligament impingement syndrome  
Sea View Orthopedic Research

Syndesmosis fixation for ankle injuries

Sea View Orthopedic Research

**GRANTS RECEIVED**

Biomechanical assessment of creep for anterior cruciate ligaments and potential graft substitutes.

Accufex Corporation.

Suture anchor fixation of ankle syndesmotic injuries.

Linvatec Corporation.

**PROFESSIONAL ORGANIZATIONS**

Fellow American Academy of Orthopaedic Surgeons

American College of Surgeons

American Orthopaedic Society for Sports Medicine

California Orthopaedic Association

United States Ski and Snowboard Association, Team Physician

Laguna Beach High School, Team Physician

American Association of Cycling Team Doctors
